## TOMMY HUNTER AT KINMOUNT FAIR ON CBC-TV

For Tommy Hunter fans and area people who were unable to attend Kinmount fair this year, Friday, December 1, is a date to circle on your calendar.

Friday night December 1, at 9:00 p.m., the CBC will present a special Tommy Hunter Show as recorded at the 1972 Kinmount Centennial Fair.

Tommy Hunter and his gang were featured entertainers at Kinmount fair, and although bad weather curtailed the grandstand presentation, a later show in the arena included the full program.

## WILLIAM MANKINEN TO SPEAK AT AWARDS NIGHT

Mr. William Mankinen, M. Eng., of Montreal will speak to the students of the Haliburton Highlands Secondary School on Awards Night, Saturday, November 25th. Mr. Mankinen is a graduate of the Haliburton school system and the son of Mr. N. Mankinen of this village. Bill is living in Montreal and is in the employ of Alcan.

The programme for Awards Night will be held in the Girl's Gymnasium of the high school, beginning at 7:30 p.m. The general public is invited to attend and a special invitation is extended by the Scholarship Committee to the parents and friends of the students, and to ex-graduates.

Honours students will be presented with an engraved pin to mark their achievement. Scholarships will be presented to many of our top students, while many bursaries and prizes will also be presented. These awards are made available through the generosity of interested local persons and organizations. As well, those students who were outstanding in athletics will receive their trophies.

A banquet for the honour students will be held in the school cafeteria at 6:30, hosted by the teaching staff.

To complete the evening the Students' Council is sponsoring a dance following the program. The music will be provided by a group known as Uncle John's Dirty Secret. Non-student passes will not be required.

## Carnarvon Man Slain In Toronto Hotel

William Mark, 53 of Carnarvon died in the Waverly Hotel on Spadina and College, in Toronto, Monday, November 20th, after he had been robbed and beaten.

Toronto Police reported Mr. Mark had been robbed of \$120.00 small change was the only money left on the man when police investigated.

According to reports the man was beaten and robbed on the third floor of the hotel, dumped into an elevator and sent to the main lobby, where he was found

on the floor of the elevator by hotel employees and customers, covered in blood from head wounds. It was discovered later Mr. Mark died of a heart attack.

Mr. Mark left Minden Monday on a business trip and was booked into the Ford Hotel.

Police believe the man met his assailants in the Waverly Hotel bar, and was invited to the room on the third floor, where he was attacked. The case is under investigation by the homicide Police Department in Toronto.

## NOVEMBER MEETING - MINDEN W.I.

The Minden Women's Institute met at the home of Mrs. Wm. Cox on Wednesday afternoon November 15 with Mrs. P. Clarke presiding. After the business was dispensed with the President congratulated Mrs. Fairfield on her 94th birthday and presented her with a gift from this Branch.

The Roll Call "How can I prevent Pollution" was answered by many interesting and thoughtful ideas. This was followed by a paper on "Pollution and the Ontario Water Resources Commission" ably given by Mrs. W. Walker. This was a very enlightening and interesting paper, we have condensed it down and hope you will enjoy what we have been able to put in the report.

**Water Pollution and the Ontario Water Resources Commission**

Water is one of Ontario's most important natural resources and perhaps the one most taken for granted but the O.W.R.C. knows better. The Commission was created in 1956 by the government of Premier Leslie Frost. Since World War 2, our personal water consumption has doubled to the point where the average person uses over 60 gallons of water per day. The OWRC exists for 2 reasons; to see that every person in Ontario can get water and to make sure that the water he gets is safe to use.

The Industrial and population boom, brought demands for more water over the entire province for when nature is upset she can be very stubborn about meeting man half way and will usually have the last word in

an argument. The OWRC did its job well. Today there are few areas in the whole province that dump untreated sewage into the water source and all are under contract for a treatment system. Half million water samples are tested in a year by OWRC and they are on the spot at small streams, lakes, sewage works, industrial plants, farms and rivers making reports. One of OWRC's most frustrating jobs is industrial pollution control. At the start or even as late as 5 or 6 years ago industry laughed at OWRC but since 1969 OWRC has been able to go after even the Giants of Industry in the Province and if they won't co-operate charges can be laid and fines levied and bad public.

(continued on page 2)

## MAN SPENT NIGHT IN BUSH

Eino Palomaki, age 68 of Snowdon Township was found early Saturday Morning, November 18, after spending the night in the bush just three miles from here.

Police here reported the man had apparently fallen, and knocked himself unconscious cutting his head, and was unable to get out of the bush himself. He was found by the proprietors of Ruppi Riding Stable.

Mr. Palomaki, was taken to the Lindsay hospital by the Minden Ambulance, he was later taken to Sunnybrook Hospital where he is reported in satisfactory condition.

Police said, no foul play was suspected.

## FASHION SHOW OF WEDDING GOWNS HUGE SUCCESS - STAGED BY KINETTES

A capacity crowd filled the auditorium at Hyland Crest Sr. Citizens Home last Tuesday to see a fashion show of wedding gowns, presented by the Kinettes Club of Minden.

The response our club received from the folks of Minden and surrounding area was beyond our highest hopes. Over 40 dresses were donated to the club for modelling, dating in age from 1887 to 1972, with some accessories worn being over 100 years old.

I would like to thank all those good people who donated dresses and models. Special thanks to Campbell's Garden Centre who donated the flowers and bridal bouquets - to Rev. Hutchinson who literally saved the night for the many models assisting them in ascending and descending the stairs to and from the stage. Thank you also to Brenda from Rob Mar Hair-dressing Salon and Kinettes Colleen former hair stylist from Lindsay, who worked behind the scenes to make our models

beautiful. I cannot mention all Kinettes singly at this time but it was a full endeavor by each and every Kinettes from chairman to the lovely kitchen detail.

Because of a crowd much larger than we had anticipated the girls in the kitchen at times found the demand greater than the supply.

The Kinettes with your support have cleared over \$130.00 this month to carry on service work in the Community and help those children in Canada afflicted with Cystic Fibrosis.

The Kinettes are considering another money making project in the new year. Our aim is to do things well with organization and willing hands. Advertisement of this coming event will be appearing in this paper at a later date.

The people of Minden make it a pleasure to serve the community when they respond to our projects with such enthusiasm.

Kinettes B.J. Harrison

## MOUNTAIN LAKE HOME OR COTTAGE

Modern year round dwelling with 2 bedrooms, kitchen - dining room, large living room with fireplace, 4 pc. bath, full walk-out basement, finished rec-room, space for 3rd bedroom. 100 ft. lake front lot, Southern exposure. \$29,500. Terms.

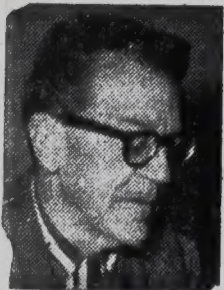

## NEAR MINDEN

Cosy 2 bedroom home, basement, oil heat, large kitchen, living room, 4 pc. bath, 2 large bedrooms on 1 acre lot with barn, for your horse. \$12,500. Terms.

## INGOLDSBY

One 65 acre parcel with large barn and shed 1/4 mile road frontage. \$12,500.

## THE MAIDENS' VIEWPOINT !

by  
Norm Maidens

Last week I got carried away and had more material than space so the Editor had to leave some of it out. What he left out was a suggestion that would save the Department of Highways thousands of dollars in paint and labour. Simply this, why bother painting a double line on the highways? a dotted single one would do for all the attention over 50 per cent of drivers give to the double one. The sooner the Department standardizes the speed limit on all similar types of highways the better off the motoring public will be — I say make it a straight 80 miles per hour in place of the fifty we have now — at least that way you'd have more people driving within the limit rather than living dangerously by driving 20 miles per hour over the existing 50.

I think it's time the Department spent a little more time in modernizing their thoughts on driving. Take Highway 35 below Minden, there are dangerous corners on it, Lord knows there is enough surveying done on these roads, surely, some where along the line they could have come up with something better. Ah well, so much for the suggestions, anyhow, no matter what — for Pete's sake drive carefully and double line or not protect your life you may not want to admit it can happen to you but, you've only got one life save it so's you can enjoy having your grandchildren around you. Also, save a few dimes and quarters, grandchildren come kinda high.

Last week I told you of Sam LaBerg's visit with Fenwick Finch. I won't go into all the gruesome details but I'll tell you one of the ideas these fellows kicked around. I don't know whether the world is ready for it or not but here it is. "Fresh, live, frozen minnows for bait." These minnows would be packed like popsicles and could be thawed and brought back to life any time during the year.

According to Sam there's millions to be made in the idea if someone just wanted to develop it. The idea is basic. You've heard of suspended animation where a human body could be frozen and kept for some years then restored to life? That the principle behind Sam's idea, fast freeze the minnows, then, when you want them, thaw 'em out and you're in business.

Half way through the explanation Fenwick had reached into his vest and taken out a stub of a pencil and was working some figures on the back of an old envelope. As usual, after starting something like this, Sam had slipped out of the house and left Fenwick mulling over the idea.

"You're not going to fall for that are you Fen?" I asked. "You know Sam and his ideas."

"She might just work out," Fenwick replied, "and besides, don't talk to me about ideas, is your memory so short that you forgot a while back you were touting everyone you met on the Hydro about raising 'bullfrogs' on a farm and selling their legs in Toronto? Sam and his ideas ain't got nothin' on you. By the way, have you ever given any more thought to that 'bullfrog' idea — I just might be interested in putting a few bucks into it."

That's another week over, the snow is here, drive extra carefully, the road surface will fool you — every time you exceed the speed limit or drive dangerously you're cutting down your odds. The boy's in blue may not get you but there's an Almighty traffic officer watching, if he decides to pick up your driving privileges you may never get them back. It's worth thinking about.

## NOVEMBER MEETING - MINDEN W.I.

(continued from page 1)  
ity, given them this hurts. Now conservation and re-use of water is happening in Ontario as in no other Province in Canada or State in USA, thanks to OW-RC. The people who live in Ontario are the props needed to help the Pollution programme. What can you do to help? Write to your M.P.P. tell him your concern about water pollution. Tell him when he's fighting to control pollution you're on his side. After all there is not much point in having a place to stand if you can't get a drink of water, when you're standing there.

Mrs. Wm. Moore gave the Friendship report in the absence of Mrs. D. Prentice and a total of 25 cards were sent out last month. If anyone knows of persons ill or in any hospital please let Mrs. Prentice know and a card will be sent.

Mrs. V. Cowan gave a very interesting report of District Directors Meeting at Fenelon Falls. Mrs. W. Moore, who attended the Area Convention in Toronto as Minden's delegate gave her report. Rev. Gordon Hunter was guest speaker at the banquet. Greetings from the City were brought by Alderman June Marks and other speakers

proved very interesting and gave the delegates many different ideas to bring back to their own branches.

The next meeting is the Christmas Party and the Women's Institute invite all ladies who would like to meet with them to come. It will be held in Minden United Church Hall on December 20th with further details later. The President closed the meeting and very delicious lunch was served by the hostesses.

## MINDEN CURLING NEWS

by Marian Ingram

Thanks to the men in the club our rink was in fine shape for our Open House last Saturday. The new condenser was a lot of hard work for them to put in, but it will certainly make things easier for them this season and the winters to come. The new lights, new stove and paint job in and out of the Club certainly makes it a cheerful place to be.

Thanks also to the ladies who gave the Club its fall cleaning. Its marvelous what can be done when everybody pulls together.

The rink is going to be used two afternoons and five evenings this year. The members can also use it on Saturdays and Sundays if they phone our President Bruce Scribner and make arrangements to have the ice pebbled.

The beginners seemed enthusiastic, thanks to the members who gave them a helping hand with the game. I imagine they had a few aches and pains the next day and I hope that doesn't discourage them as they are quite normal and after a few games those muscles will be used to the exercise.

## LETTERS TO THE EDITOR

re: The Old Clergy House  
Dear Sir:

Some clarification is in order in response to Norm Maidens' comment on the Church's failure to buy back the Clergy House recently. It was sold by the Church in 1947 for \$6,500.00, being then in need of costly renovations. In recent years Bishop Hunt, retired Suffragan Bishop of the Diocese, took an interest in this fine old bit of history as who wouldn't - and asked Norm to be sure to give the Church an opportunity to buy it back, if he decided to sell.

There is no question that the Clergy House is a charming old building on a beautiful treed lot with its own trout stream, and personally I have a real interest in and respect for history. If money were no object, my wife and I would have been charmed to move in immediately, and spend the long winter evenings for the rest of our stay in Minden restoring and improving it. I too wish the Municipality would show some interest and take some initiative in developing the house and grounds as an important historic site. Apart from that interest, however, it would be difficult for the Church to justify taking on such a costly project as a priority for its limited resources.

When the Maidens' exchanged the Clergy House for a double mobile home in Lutterworth Pines, the new owners offered the building to the Church for \$25,000.00. The tax bill in the land would be considerably higher than on the preseat Anglican rectory, the maintenance costs on a building of that age

would impose a further burden on the local congregation, and the Diocese would have required some major interior renovations almost immediately. All these factors add up to a decision which one has to admit was an economic one.

One further comment. My understanding of Norm's Biblical reference is that Jesus threw the hawkers and money-changers out of the temple for exploiting the faithful, and abusing the temple of God. Surely it can't be suggested in this case that it is the Church trying to exploit the faithful or turn a profit out of their offerings. Rather, the Diocesan authorities are trying to be responsible stewards of the limited funds available to them through the offerings of the faithful.

Over the years the Anglican Synod has poured thousands of dollars into this community and the small congregation of faithful supporting Anglicans at St. Paul's Church have contributed a great deal in service and could do more, but we question funds. Believe me, we wish we whether acquiring the Clergy House is an important priority at such great cost.

Sincerely

Rev. Andrew Hutchison

## SAFE DRIVING WEEK

DECEMBER 1 - 7

Many people take the view that traffic fatalities are statistically as inevitable, and nearly as unvarying as taxes. But there is an annual miracle that confounds these cynics. It is called Safe Driving Week and is observed every year, since 1956, December 1 - 7.

During S - D Week traffic fatalities are consistently lower — and substantially lower — than the average for the time of year. This occurs year after year, without exception, in all provinces of Canada.

It happened again in 1971. There were 68 traffic deaths in Canada December 1 - 7, 17 of these being in Ontario. In 1970 the total was 63; in 1969, 55. But the year-around average of traffic deaths is over 100 a week, and the weeks preceding and following Safe Driving Week always show death totals 50 per cent or more higher than the first seven days in December.

This national campaign is sponsored by Canadian Safety Council, and backed in Ontario by the Ontario Safety League. Says Fred H. Ellis, OSL General Manager.

### THE ISSUES

With every election, whether or not it is Provincial, Federal or Municipal, the interesting thing other than the candidates themselves are the issues. With eighteen running for office here you might think the heat would be on, with issue after issue being thrown around like a tossed salad in some gourmet's kitchen. But, this is not the case. After asking many of the candidates just what the issues are, I am still not aware of any.

If, this is the case, where no one has any complaints, the ratepayers should have bribed the present council under the leadership of Charles Brandon to stay on — after all not many Municipalities appear to be running so smoothly, as this one.

The only item someone might have on his platform would be sewers — I have yet to hear this, but it could be one point. However from my experience, even this subject can't be discussed much, for the Provincial Government hasn't come up with enough subsidy, and apparently their sights are set on 1975, which could very well mean 1978, regardless who is on Council.

After some debate, Reeve Charles Brandon has agreed to give the ratepayers their civil right to hear what the Candidates have in mind, if they are elected. A candidates night will be held in the Municipal office on Friday, December 1st, at 8 p.m.

So much for Anson, Hindon and Minden — in Lutterworth it seems to be a different story. From all reports the present council will not establish a night for the ratepayers to meet the Candidates, in the words of Robert Beeney, candidate for Reeve, "this shows the present council is on shaky ground, and can't afford to answer the ratepayers, who incidentally have many questions to ask." He told the Progress Monday night, he would personally challenge the present Reeve Don Williams, to a debate on council matters, and especially the Restricted Area By-law, which the present council has passed. This By-law is yet to be passed by the Municipal Board. Taxes of course is another issue in Lutterworth, where some people have complained about their taxes being doubled in the last term of office.

In Snowdon, Reeve Bob Vick was acclaimed to office and only four are running for three council seats, so there is not much interest there. In Stanhope, although the Reeveship is being contested by Sinc Nesbitt and Fred Brooks, very little excitement is in the air, however a candidates night will be held.

So there you have it — very few issues, only in Lutterworth does it seem the present council is in the hot seat. If the people of Lutterworth want to hang on to their rights, they had better muster up some interest in a candidates night, after all nomination night is a thing of the past. It seems to be the trend of government these days to wisk the voice of the people under the mat, the quieter they can keep the front lines the better off they like it. Lets not let them strip us of everything — we haven't much left.

## WET WEATHER AND WILDLIFE

by T. J. Farmer

The weather during the past three weeks has been anything but agreeable. It seems however, that this disagreeable weather, agrees with the wildlife in Lindsay District.

We have reports of fair to good catches of muskellunge and yellow pickerel in the area. Within the last week several 3-5 lb. pickerel have been taken right here in Lindsay below the locks.

Duck hunters are still enjoying good success on the Kawarthas and surrounding lakes. Large flocks of scaup, golden-eye and buffleheads are still being seen on the lakes in the immediate vicinity of Lindsay.

The ruffled grouse enthusiasts are continuing to have good success and most hunters report there are 'lots of grouse' in the District.

The other small game species are relatively abundant and hunters are usually able to bag one or two of their favourite game animals per trip.

It is too early to tell how the bad weather will affect the deer and moose hunting. Most reports forecast a mediocre hunt this season, but this writer knows of at least three hunters who are already hanging their deer after just two days of the hunt.

To the hunters who are successful this season, don't forget to turn in your deer and moose hides, if you are not going to utilize the hides yourself. The Ministry of Natural Resources will give you a handy 'bush' cooker as a token of appreciation for your deer or moose hide.

The hides will be processed and sent to the Indian Handicrafts Industry of Ontario. Turn in your hides at any Ministry Office within the Lindsay District.

## GAME OF THE WEEK

with Cliffe Burke

### SHAYNE MCKELVEY SHINES IN OPENER

The Minden Bantams opened their 1972-73 season in Fenelon Falls on Wednesday evening, and came away with a 3-3 tie. The tie flattered the Fenelon team, as Minden outplayed them but couldn't cash in on their many scoring chances.

The Fenelon team scored first at the eight minute mark of the first period to take a 1-0 lead. At 10:20 Barry Shaw went off for tripping, at 10:50 Jerry Campbell went off for interference. With Minden two men short and deep in their own end, Kirk Coneybeare won the face off and passed to Shayne McKelvey who skated through the entire Fenelon team to score his first shorthanded goal of the night easily into the top left hand corner. The period ended 1-1.

The second period saw the Fenelon team take the lead again, when a defensive error by the Minden blueliners, Pete McKenzie and Bill Hogg, allowed a Fenelon breakaway. However, Minden's Barry Shaw took an interference penalty a minute later. Coach Don Campbell then sent out his ace penalty killers Shayne and Kirk up front and Jeff Carpenter and Pei McKenzie on defence. With the face off in the Fenelon end Kirk won the draw back to Jeff who let what appeared to be a harmless shot go that found the bottom right hand corner to tie the game at 2-2. Fifteen seconds later Kirk and Shayne once again combined to put another shorthanded goal past a startled Fenelon Goal keeper. Shayne was the marksman as he picked up his second short hander of the evening and subsequently gave Minden the lead for the first time in the game. 3-2.

The third period was all Minden, but they just couldn't find the net. Fenelon tied the game with about six minutes left.

The three stars of the game were, 1st Shayne with 2 goals and 1 assist; 2nd Brent Wynne who made about three or four stops that appeared sure goals 3rd Kirk Coneybeare, whose timely winning faceoffs brought about Minden's three goals, plus gave him assists on all three.

## SPORTS CORNER

with CLIFFE BURKE

### Minden Pee Wees Drop Second

The Minden Pee Wees played in Fenelon Falls on Wednesday evening and were downed 4 - 2 by the first place Fenelon Pee Wees.

Minden had brilliant goaltending by Mike Bird and needed it, or the score would have been much higher in Fenelon's favour.

Tom Gough and Brian Shaw scored for Minden. Brian, Tom and Jim Hatkoski each had breakaways in the game but couldn't cash them in. This proved to be the difference of winning and losing the game. In their first two games the Minden boys have hit the goal posts five times and missed seven breakaways. They could easily be 2 - 0 instead of 0 - 2 with a few breaks.

Other games to date found Fenelon trouncing Cobocok 9 - 1, Bobcaygeon edging Cobocok 5 - 4 and Haliburton trimming Minden 3 - 1.

### Haliburton Bantams Appear Class Of League

The Minden bantams travelled to Haliburton on Friday evening for a match with the Haliburton bantams. For two periods it was just no contest, as Haliburton seemed to score at will, posting a 10 - 0 shutout.

The third period of this contest proved the best period of hockey I have seen in the last three years of watching minor hockey. Minden completely dominated the play. They did everything in this period but score a goal. They did however put one in their own net. The Minden boys hit everything in sight, completely confusing and breaking up the Haliburton passing patterns which had got them 9 goals in the first two periods.

Scoring for Haliburton; Chris Rouble with the hat-trick, Derwin Berry with two goals, singles going to John Welburn, Dave Kilby, Rick Smith, Tim Bain and Dan Curry.

### NOVICES DROP OPENER TO FENELON

The Minden Novices travelled to Fenelon Falls on Friday evening for their season opener and were edged 3 - 2. However the Minden team impressed everyone as they out-played Fenelon Falls throughout the second and third periods.

Fenelon Falls forged into a 3 - 0 lead in the first period and the Minden boys just never caught up. Scoring for Minden were Leslie Booth from Mark Greir in the second period and Mark unassisted in the third.

In other action last week Haliburton came from behind in the last minute of the game to tie Cobocok 2 - 2. In Bobcaygeon, Haliburton edged their Novice team 5 - 3.

# TO THE ELECTORS OF LUTTERWORTH

Over the past year we believe there is just cause for an election to be held in Lutterworth. Many issues have risen this year that are open to criticism. Some expenditures that have been made will not benefit the bulk of Lutterworth ratepayers and do not justify the cost.

A Roads Needs Study was started in the fall and although it could be necessary in a large Township it has a limited place in a small Township as Lutterworth. The Townships share of this cost in the long run will not benefit the Township to any great extent.

The cost of new Township owned road equipment will take a lot of money that could be spent on construction or maintenance. Some of the equipment is useless for major road construction. Many local contractors supplied the same service at a very reasonable rate in the past.

A Restricted Area By-Law passed by council will stop development in Lutterworth. Restricted residential development in all areas will stop year round growth. It will be necessary to purchase a five acre lot to build a permanent home.

If the present council continues to remain in control and the expenditures continue to rise in an excessive manner the future of Lutterworth will be questionable to ensure the future of Lutterworth.

**ITS TIME FOR A CHANGE !**

An alternative to the present council are six independent ratepayers that are accessible at all times and are permanent residents.

## NOTICE

NOTICE IS HEREBY given to the Municipal Electors of the Township of Stanhope in the County of Haliburton, that an Election for the purpose of electing a Reeve and three (3) Councillors for the said Township will be held in 1972. Polls will be open from 11 o'clock in the forenoon until 8 o'clock in the afternoon and will be held on the following dates:

ADVANCE POLL - 1st. Day - Monday, November 27, 1972

ADVANCE POLL - 2nd. Day - Saturday, December 2, 1972

POLLING DAY - Monday, December 4, 1972.

Gerald C. Bain,  
Returning Officer.

## NOTICE

There will be a School Bus safety meeting in the Archie Stouffer School at 7:30 p.m., November 20, 1972. Constable John Slavin of the O.P.P. from Lindsay will be showing a film on bus safety.

Mr. Douglas Hodgson, Director of Education in Haliburton County, Mr. Stuart Baker, Principal of the Archie Stouffer School and many of our bus drivers will be present to answer any questions that may be asked regarding school transportation or educational matters.

A lunch will be served at the close of the meeting.

Everyone is cordially invited to attend.

## DOLLARS & GOOD SENSE

by WILLIAM J. MARTIN  
Special Consultant to  
Anco Financial Services

Today I'll wrap up my discussions of some of the problems and importance of establishing proper budgeting habits in new households.

While, as I mentioned in an earlier column, it is wise to be careful about credit shopping at first so that payments for interest charges aren't unduly high, credit is important in a family financial plan.

A young married couple should quickly work to establish a good credit rating, since it is a vital tool in managing your personal affairs.

Most dealers and stores are willing and anxious to grant the credit, however, because of the good will to future customers they are establishing.

One can begin with a gasoline credit card and a department store card or two. The many general purpose and travel cards are also valuable.

You'll find that this early credit experience of meeting your obligations when due will make it easier for you to make such major purchases as a car and a home later on.

The use of credit cards also provides you with a good record of your spending which not only helps your budgeting but is a great aid at income tax time. They are especially valuable in emergencies.

But the thing to remember for a young couple just starting out is how important it is to establish a good credit rating right from the start.

The wise use of credit shopping can get you off to the right start.

Readers' questions are welcome and should be sent to Box 5875 London, Ontario.

## Chamber Highlights

from the desk of Marion Arntfield

Last week was devoted almost entirely to office work, in preparation for our 1973 Directory. This did not make for very exciting news, thus no Chamber Highlights. Last Thursday I attended a Publicity and Public Relations Committee meeting, and on Friday a Management Committee meeting, — both were fine meetings, and the results will be made known at our next regular Board of Directors meeting, which, by the way, will be on November 28th, in the Municipal Building Minden, starting at 8 p.m. Always, members are most wel-

come to attend.

You may remember earlier in the year I made mention of the fact that a photographer would be coming in to our area, to take pictures. Mr. Reed from the Ministry of Tourism was here in August and I understand the pictures he took are very lovely, and that if anyone wishes to borrow these slides, this can be done. It is necessary to go to the office in Toronto, which is located at 135 Bloor St. E. view the slides in person, and then make arrangements to borrow the ones you wish. There is no charge.

## Candidates Meeting

TO: ALL ELECTORS

A public meeting will be held on Friday, December 1, 1972 at 8:00 p.m. in the Council Chambers of the Minden Municipal Building. This meeting will give Electors the opportunity to meet Candidates who have been nominated to run for offices in the forthcoming Municipal Elections.

Richard Parisotto A.M.C.T.  
Clerk-Treasurer

For members who have already returned their advertisements for the 1973 Directory, I say 'thank you' and for those of you who have not as yet done this, I would appreciate having your replies as soon as possible, for after the advertisements are all in, there is much work to be done to get the Directory ready for the Printers. We are anxious to have the Directory out at an early date, for even now, inquiries for 1973 are coming in. The following is a most interesting report, given to me by Mr. Parisotto, and it is a real pleasure to pass it on to you.

The Haliburton Highlands Property Owners' Council held their 12th Annual Meeting at Queen's Park, Toronto, on Thursday, November 2nd, 1972.

Two representatives from the Chamber were guests at this function, Mr. Richard Parisotto, Vice President, and Mr. Art Ward, Director.

Reports and discussions were held on various matters of interest, including water resources, a concerned investigation of the high water levels during the past year; education; taxation on property (a resolution calling for extensive reduction in education taxes on cottage property was passed); Fish and Wildlife and Municipal Affairs.

Probably the most extensive report submitted was again that of the Pollution Committee, headed by Mr. Dougald Patterson. In his report Mr. Patterson praised the efforts of our Chamber Pollution and Ecology Committee, under the Chairmanship of Mr. Gerry Heywood.

The Guest Speaker was Mr. Claude Bennett, M.P.P., Minister without Portfolio in the Ontario cabinet. Mr. Bennett has been connected with the Ministry of Treasury, Economics and Inter-Governmental Affairs, particularly in the Municipal Planning field. If Mr. Bennett's voice in the Cabinet is influential, his remarks indicate a new stringency in zoning, planning and building restrictions will no doubt be imposed in Haliburton County. Without question he further emphasized that Regional Government will be established throughout the whole Province of Ontario, including Haliburton, before this decade is ended.

The H.H.P.O.C is still a fledgling group, but gathering strength and momentum each year and quickly becoming an influential voice. In the opinion of this writer, the H.H.P.O.C is governed by a dedicated and conscientious group of individuals who no doubt could improve the quality of life in Haliburton County with their lobby at Queen's Park.

Richard Parisotto, Vice President, Haliburton Highlands Chamber of Commerce.

ADVANCE POLL (For persons who expect to be unable to vote on the regular polling day)

To be held at the LUTTERWORTH MUNICIPAL OFFICES — Highway 35 South.

On MONDAY, NOVEMBER 27, 1972 from 11:00 a.m. to 8:00 p.m.

On SATURDAY, DECEMBER 2, 1972 from 11:00 a.m. to 8:00 p.m.

REGULAR POLLING DAY -

On MONDAY, DECEMBER 4, 1972 from 11:00 a.m. to 8:00 p.m. at the LUTTERWORTH MUNICIPAL OFFICES only.

Dated at LUTTERWORTH this 20th day of November, 1972

COUNTY COUNCIL

CHAMBERS

November 15th, 1972

Warden Malcolm McGillivray called to order the November Session of County Council of the Provisional County of Haliburton at 10:00 a.m. Wednesday, November 15th, 1972, with the following members in attendance:

Malcolm McGillivray, Warden; Charles S. Brandon, Roy Windover, Anson, Haddon and Mind-en; J. M. Howarth, Improvement District of Bicroft; Roy Brohm, Holly Sisson, Dysart et al; Mrs. Victoria Agnew, Robert Fotheringham, Glamorgan; D. J. Williams, A. O. Shingler, Lutterworth; Gary Agnew, Monmouth; A. L. Lock, D. Russell, Sherborne, McClintock and Livingston; Robert Vick, Snowdon; S. G. Nesbitt, Jim Elder, Stanhope.

Moved by R. Fotheringham, seconded by Art Lock, that the Minutes of the meeting of October 18th be adopted as read, having been printed and circulated. Carried.

Business arising from the Minutes tabled for discussion.

sion pertained to Crown Lands, Official Plan, Inter-County Admittance to Senior Citizens' Homes, and Martin Lumber access.

Moved by J. Elder, seconded by Roy Windover, that Council meet at 10:30 p.m. November 30th, 1972, prior to the meeting with the Ministry of Natural Resources; to discuss Crown Land and its use. Carried.

Moved by Doug Russell, seconded by Roy Brohm, that By-law Number 834, having been read a First time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, being a By-law to provide that the Treasurer may establish and maintain a petty cash fund. Carried.

Correspondence was read from: Hon. Leo Bernier (a) reference Martin Lumber Company.

(b) reference Crown Land acquisition. (c) reference meeting with County Council. Kawartha Haliburton Children's Aid Society re. cost sharing. Haliburton County Snowmobile Association. Harcourt Ratepayers' Association.

Moved by Roy Windover, seconded by Jim Elder, be it resolved the Provisional County of Haliburton do hereby make representation to the Province to have the Child Welfare Act amended to read "Province share of cost to be 80 per cent, be 20 per cent." Carried.

Moved by Bob Vick, seconded by Jim Elder, that the following requests be referred to the Budget Committee: Canadian National Institute for the Blind, Canadian Arthritis Society. Carried.

Moved by Roy Brohm, seconded by V. Agnew, be it resolved that Mrs. Lahay administer the payroll and deductions from burton County Snowmobile Association when received from L.I.P. funds. Carried.

Moved by A. O. Shingler, seconded by Bob Vick, the Correspondence Committee suggest that Council concur in principle with letters received and in particular those ticked off on the list provided by the Clerk and respectfully submitted by the Correspondence Committee.

of A. O. Shingler, R. Vick and J. Elder. Carried.

Mr. Gerald Dawson, C.A. addressed Council, indicating the scheduling of the audit for completion by February 28, 1973. The Finance Report was presented by Chairman Roy Windover.

Moved by Art Lock, seconded by Jerry M. Howarth, be it resolved the accounts as presented by the Finance Committee in the amount of \$31,353.33 including cheques numbered 423 to 475 inclusive be approved for payment. Carried.

The Warden called a luncheon recess until 2:00 p.m. Council reassembled at 2:00 p.m.

Mr. Ed Cornies and Mr. John Driedger attended Council, representing the Plans Administration Branch of the Ministry of Treasury, Economics and Intergovernmental Affairs. Mr. Cornies made a presentation and outlined in detail statistics and terms for a County Official Plan.

Moved by Jerry M. Howarth, seconded by Bob Vick, be it resolved that the matter of County Official Plan be tabled until such time that the amount of the grant to the County has been settled. Carried.

County Engineer Jack Cox distributed copies of the Bracebridge Herald Gazette and Huntsville Forester with coverage of the recent Official Opening of Haliburton and Muskoka County Roads Number 1.

On behalf of Chairman Charles Brandon and the Road Committee, Mr. Cox presented the report of the County Road System.

Moved by Charles Brandon, seconded by G. Agnew, that the report of the Road Committee be approved.

Moved by Robert J. Vick, seconded by A. O. Shingler, that By-law Number 832, having been read a First time, be considered read a Second and Third time, passed, signed and the Corporate Seal attached, being a By-law to amend the By-law adopting a plan of County Road improvement and establishing a County Road system in the Provisional County of Haliburton under the Public Transportation and Highway Act. Carried.

Moved by S. G. Nesbitt, seconded by...

By 1975,  
all snowmobiles  
have to be quieter.  
That wasn't good enough  
for us.

Evinrude's new 73dbA snowmobile not only beats the 1973 sound level

Rotary Combustion power is in-

vibration. And with only two moving parts, there's less to go wrong, too!

The Evinrude Rotary Combustion

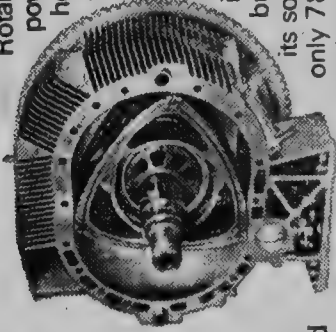

Evinrude's new 73dbA snowmobile not only beats the 1973 sound level requirement but meets the 1975 sound level as well.

It features exclusive Firepower electronic ignition for sure starts and up to 10 times longer spark plug life, 30 hp loop-charged engine, electric starting, safety neutral and reverse gear.

But most of all, it's quiet. In fact, you can't buy a quieter, more civilized snowmobile than the new Evinrude 73dbA.

Meeting the 1975 sound level in 1973 isn't all that's new at Evinrude. Since 1963, our engineers have been working on our own rotary combustion engine. And now, after 9 years—The Evinrude Rotary Combustion Engine is here!

Rotary Combustion power is inherently quieter, even without special silencing system required by conventional internal combustion engines, its sound level is only 78dbA.

It's faster accelerating, 35 horsepower with speeds up to 65 mph. And smoother, with turbine-like power that virtually eliminates

vibration. And with only two moving parts, there's less to go wrong, too! The Evinrude Rotary Combustion Engine is the snowmobile engine of the future. But it's available right now in the Evinrude RC Snowmobile. See the complete 1973 Evinrude line—the RC, Super Quiet 73dbA, wide-track Trailblazer, the fast and sporty Norseman and Bobcat series at your Evinrude dealer now. And get a quiet start on winter.

### ELDERLY SPORTSMAN BAGS TROPHY BUCK

Mr. Clifford Harrison of Carnarvon, 83 year old sportsman bagged a trophy buck last week, to add to his many thrills of hunting in Haliburton County. Mr. Harrison has been hunting these hills since he was 10 years of age.

He hunts out of the Carnarvon Hunt Club on Margaret Lake. Congratulations, and good luck in the hunting days ahead.

### CHRISTMAS SEALS

In this age of bigger and better computers, sometimes a human gesture takes on a very special meaning. One such gesture is using Christmas Seals. Each Seal placed on a holiday card or gift package means a little extra thrust in the year round fight for better health.

Christmas Seals are more than just a pretty holiday decoration — they're behind the 365 day-a-year fight against the breath-robbing diseases of emphysema, tuberculosis and chronic bronchitis.

So in this modern world of dazzling machines of all sorts and descriptions, remember man's fight against disease — help make emphysema, tuberculosis and other respiratory diseases a thing of the past. Use Christmas Seals generously on all your holiday mail.

Answer your Christmas Seal letter today. Your Tuberculosis and Respiratory Disease Association consider it a matter of life and breath.

### WARDEN'S BANQUET

DECEMBER 1ST.

One of the more exciting big evenings of the year is coming up — Mr. Malcolm McGillivray, Warden of Haliburton County will hold the annual Warden's Banquet on December 1st.

The Banquet will be held at the Royal Canadian Legion Hall and gets underway at 7:30 p.m.

Invitations have been out for some time, and those attending will be in for a very enjoyable evening.

# Notice

**TO: THE VOTERS OF LUTTERWORTH**  
**FROM: DAVID GALLAGHER**  
**CANDIDATE FOR COUNCIL**

It will be impossible for me to meet you all before the Election, however this will introduce me and my concerns.

I am 37 years old, have a wife, 3 school age children and work in Toronto. We spend weekends and holidays at Miners Bay on property originally purchased by my Grandfather in 1914 and have many friends among the permanent residents.

This has given me an insight into the problems facing all township taxpayers of Lutterworth such as zoning, roads, garbage disposal, education costs and communication with Council.

The committee for Township of Lutterworth Affairs has added my name to its slate and I appreciate this support, but I want to assure every voter that if elected I will act in the best interest of all the people of the Township.

I would appreciate your voting for me December 4 (Nov. 27 or Dec. 2) but the most important thing is that you get out and vote.

**Gallagher**

America On \$2.50 A Day

## New Concept In Bus Travel

Travel America for \$2.50 a day? Can't be done? It can now—using Ameripass, Greyhound's new unlimited 60 day ticket.

For \$149.50, a traveler can go anywhere in the U.S.A. over Greyhound's 100,000 miles of routes for 60 days.

James L. Kerrigan, president of Greyhound Lines, Inc., said, "Ameripass is our way of making it easier for Americans to see this great land of ours. Our buses serve 40,000 cities and towns in America and can take a traveler not only to the more popular tourist attractions such as the national parks, historic sites and exciting metropolitan areas, but also to the lesser known places of great beauty and national significance."

Available beginning Sept. 15, Ameripass will be honored in all 48 contiguous states and in some areas of Canada.

Ameripass holders will also be eligible for special discounts on hotels, automobile rentals, sightseeing and other travel services. To obtain the discount, all they need to do is show their Ameripass.

The 60-day ticket offers

complete freedom and flexibility of travel. There are no limitations on the time of day or day of week when it may be used during the 60-day period — including weekends, weekdays, holidays, day or night.

Travelers will be able to stop whenever and wherever they wish—for as long as they want. They may also take side trips, crossovers, switchbacks or revisit places they like. As an additional benefit, Ameripass will be honored by almost 100 other intercity bus lines in the United States and Canada.

Kerrigan said Ameripass is one of several new programs being launched as a special salute to the nation's upcoming 200th anniversary. Others include a new red, white and blue paint scheme and special service to the most desirable American tourist attractions.

A free folder providing complete details on Ameripass, as well as valuable bus travel information is available at any Greyhound terminal or representative as well as many travel agencies.

#### OXTONGUE LAKE STARS IN SUNDAY TV SHOW

CBC television cameras zoomed in on Oxtongue Lake in McClintock Township, this past Sunday for the leisure series, A Way Out.

Discussed on this program were the results of water pollution tests undertaken at the lake in a program titled "How's The Water?"

The show was produced by Neil Andrews and demonstrated the simple pollution tests easily done by home-owners and cottagers.

A fourth year science student at the University of Toronto and also a summer resident of Oxtongue, Jim Elliott, did the testing for the program and, among other tests undertook a biological test to determine algae content at Oxtongue and a bacteriological test for fecal count.

The tests were made under the direction of the Water Quality branch of the Ontario Ministry of Environment and full explanation of courses, procedures and methods were outlined on the show.

#### MINDEN OPP REPORT TWO WEEKEND MISHAPS

Provincial Police in Minden report two one-car accidents in the area on the weekend, no injuries were reported.

Minden OPP report a car driven by Gerhard Peterson, of RR 2 Durham, went out of control on Highway 648 Saturday striking a high bank in the ditch. The late model car received damage to the front end estimated at \$1,500. Provincial Constable Potter investigated.

Minden OPP report a car driven by Martin Groggerat of Oshawa, went out of control on Highway 648 Sunday about 4:30 p.m. Damage to the car was estimated at \$2,500.

## ABOUT THE TOWN

With Jeanne Sears

Queen Elizabeth and Prince Philip celebrated their 25th Wedding Anniversary on Monday with many other couples whose 25th Anniversary was also that day.

Newlyweds are Mr. and Mrs. Francis Walker (nee Diane Taylor) whose wedding was at Queensborough last Friday night.

If you are interested in conservation we read that 23 Indians in the past four months planted for the Ministry of Natural Resources 200,000 White Spruce north of Massey and 100,000 White Pine southeast of Espanola. This is an effort to replace forests for the future.

Sincere sympathy to the families and friends of the late Bill Cooper and Fred (Peg) Roberts who died early this week.

More persons from the village in the sunny south, included are Nina and Leslie Prentice, Carrie and Mark Vasey, Karen and Larry Scott and Gay and Terry Brown.

Hunting holiday is over for the year, now all sportsmen will settle in to work and then first thing you know — ice fishing. There are registration numbers needed for fish huts on Lakes Boskung, Gull and Twelve Mile but no licenses for Ontario residents. The Season starts January 1, 1973. Heard that some lakes had a coating of ice but don't think it would last this early in the season.

Mr. and Mrs. D. Prentice and Mrs. J. Redner attended the funeral of Milly's aunt Mrs. Henry O'Rourke in Peterborough last Wednesday.

Winners at the weekly Mini Card Party at the Parish Hall were for cribbage Joyce Hewitt and Molly Locke; for euchre Eleanor Walker and Alice Clark.

We hear that High School Students of Grade 12 Five Year Course are practising their Peter Ustinov Comedy Romanoff and Juliet. This is to be performed in High School Auditorium December 6, 7, 8, 9 at eight o'clock. Try to set aside one of these nights so you can see our County talent, and support this group.

Belated congratulations to Mrs. James Fairfield, a resident at the Hyland Crest who celebrated her 94th birthday last Tuesday.

On our Municipal Election, we understand Poll No. 1 opening from 11 - 8 p.m. is at the Hyland Crest Home on December 4 with Advance Poll at Municipal Offices on Monday, November 27th and Saturday, December 2 with hours 11 a.m. to 8 p.m.

In the presentations at the Legion on Remembrance Day we noted that our own Harry Cowan received an award; he is certainly an asset to any group and does his share in these.

Took a look at the construction of the new Recreation Centre and to me it seemed to be coming along very well but I'm not an engineer but do hope they have it completed as promised. The transportation for Minor Hockey or Figure Skaters must be costly and take a good deal of parents time. Besides we will all be able to see games at home and in comfort as well.

Was a little better last week weatherwise, cold and several times snow as winter comes nearer. Drive carefully.

Cheerio until next time.

# St. Paul's Playschool

A PLAY PROGRAMME FOR PRE-SCHOOLERS

FROM AGE 2 AT

**St. Paul's Parish Hall Minden**

**REGISTRATION: TUESDAY, NOVEMBER 28TH, - 9.30 - 11.30**

The purpose of this programme is to provide an opportunity for children of pre-school age to come together one morning a week in a supervised setting, for creative play with others of the same age. Mothers will be asked to volunteer their time to assist with the supervision of the programme.

There will be a registration fee of \$1.00 per child and mothers are asked to contribute 25c per child each time they come.

HUNDREDS OF DOLLARS IN OTHER PRIZES

by Lorna Rogers

Playwright Joseph Schull describes his romantic biography Laurier and his deep friendship about Prime Minister Wilfrid with Emilie Laverne as "a reconstruction of gossip that is somehow embedded in history." Emilie was beautiful and sophisticated; she was also the wife of Laurier's law partner. Schull did the research for his radio play, to be heard on CBC Tuesday Night, November 28, when he was writing his biography, Laurier: The First Canadian, published in 1965. Special music for the play was written by Lucio Agostini, after discussion with producer Peter Donkin when both were in Spain earlier this year.

James Gray's chronological history of prostitution in the early west, Red Lights on the Prairies has been turned into a musical for The Bush and the Salon, Saturday, November 25.

Other musical highlights come up on CBC Radio.

The Oscar Peterson Trio in concert from Edmonton's Jubilee Auditorium on Showcase '72, Sunday, November 26.

Violinist Ida Haendel and pianist Ronald Turini in a CBC recital from Mont Orford, Quebec on Musicscope, Thursday, November 30. Polish born Ida Haendel was widely acclaimed as "Europe's foremost woman violinist" before taking up Canadian citizenship.

The multi-talented Huggett Family of Ottawa, composed of parents Leslie and Margaret and four children ranging from 11 to 17, performed an amazing variety of ancient and modern instruments — 32 in all. They also sing, mostly the music of the Renaissance. The have one album out, and plans are being made for a second recording and a tour of major European and North American festivals. They are the featured artists on Chamber Music, Thursday, November 30.

American conductor Lukas Foss had to fill in at the last minute for a recent concert by the Montreal Symphony Orchestra. According to the reviews, it was the best performance by the MCO in many a season. Listeners will be able to share its excellence on Symphony Hall Saturday, November 25 as they play works by Wagner, Mozart, Ives and Foss.

Province-Wide Service

**Knock knock.  
Guess who.**

Throughout the year, volunteers do a lot you never hear about in the fight against cancer. They drive patients to clinics, and supply small comforts such as tea and coffee.

They visit schools and various groups to show films and talk about ways to prevent cancer.

Some 50,000 of them conduct the annual campaign for funds that are needed in the fight against cancer. Give your share when the time comes.

And if you want to serve as a volunteer, either during the campaign or through the year, contact your local cancer unit.

**Cancer can  
be beaten.**

For further information,
